

# INVITATION:

## OPEN DAY – LIGHTWEIGHT IN AACHEN

Get an exclusive insight into the lightweight research institutes in Aachen!

### WHEN?

Tuesday  
April 12<sup>th</sup>, 2016  
10:00 h – 17:00 h

### WHERE?

Institute of Plastics Processing (IKV)  
Seminarraum Mitte-Nord  
Seffenter Weg 201,  
52074 Aachen, Germany

- ✓ Overview on lightweight research in Aachen
- ✓ Update on RWTH Campus activities and opportunities
- ✓ Guided tours to lightweight research institutes represented by AZL
- ✓ Networking with Aachen research engineers and industry
- ✓ Feedback session

### PROGRAM

- Welcoming, round of introductions
- Overview of Research Activities for Lightweight Production in Aachen
- Guided Tours to all 8 AZL Partner Research Institutes, including Networking Lunch
  - Fraunhofer Institute for Production Technology IPT
  - Fraunhofer Institute for Laser Technology ILT
  - Institute for Textile Technology (ITA)
  - Laboratory for Machine Tools and Production Engineering (WZL)
  - Institute for Automotive Engineering (ika) at RWTH Aachen University
  - Institute of Plastics Processing (IKV) in Industry and the Skilled Crafts
  - Institute of Structural Mechanics and Lightweight Design (SLA)
  - Welding and Joining Institute (ISF)

### REGISTRATION

For pre-registration, please write an e-mail to [Marina Biller](#)
